has and ware there was no recei near has and legen to dig. When his ditch was cur, the rabels came out, got on his flank, see made him fight with no more reference to it, has it is was in the moon. The result

the enemy's forces subsequent to be completely, the old "Democratic War Horse," o bitterfy hastel by traitors and appperincide. Ot. Edwin B. McCook, of he Jist Illinois. D. W. Mann. Esq., and Dr. Agraw, of the Hillinois cavairy. All the speeches breather with Illinois cavairy. All the speeches breather with the second of the property of the ware speecially acreare in their denunciations of copperheadism. The following resolution was offered by Col. Dougherty: and Col. McCook were especially acreare in their denunciations of copperheadism. The following resolution was offered by Col. Dougherty:

Brasinal That as ettimened the Haited Sinter to pledge ourselves, for fives dur property, and the speech and the second of the Carro from, to which we are indebted for these particular, any this is but the commencement of a series of similar mechanisms of the commencement of a series of similar mechanisms which will be held in every county in that district.

Gov. Tates on the Education of the Satisfant Constitution in the Carro from th

the problem of the pr

the care of the ca

are yet to be acted upon. Mr. Griswold (Union) defended the first in the altack on Charleston. There were secrety where seen in that facet than were necessary to man an ordinary man of war. Tet it received ten thousand shot. The Ironsides was not penetrated, and only one life was look, that of the guillent Hoogers. The American Navy stands to-day in advance of any navy in the world, and our forers are the best diplomats to prevent foreign interference in our affairs. Mr. live, of film., presented some statistical achowing the operations of the samy. He wanted them printed.

Mr. Broeks, (esp.) prosented some statistical achowing the operations of the samy. He wanted them printed.

Mr. Broeks, (esp.) prosented arguments of a Officered character, to show that although we have a may of 600 vessels, our commerce has suffered by privateers, since the communication of the samy. He would not be say. The "cotton apinner" was a geniteman and a Union officer. The Navy Department and the Cabiner. The Navy Department and the Cabiner. The navy had done well on the coast, and it had opened the Mississiph river to our commerce. Mr. Davis lad voted against an loquiry into the affairs of the Treasury Department and he ought to trust the Navy Department and he ought to trust myon of combutiveness is very large, indeed it is much too large. He is, like the Irishman of Domphrook, always spoling for a light. He spears to be ever wandering about dragging an imaginary cost upon the floor of the House and faring any ous to trest upon it. On hoth consistency in the head of the horder of the House and faring any ous to trest upon it. On both consistency in the head of the horder of the horder of the horder of the horder of the house of the head of t

on belie at Mather-clesting with sellers at 18c, at d buy yes at 58c.

The Flour market was very quiet, and we note inch takes at \$5.00 for good syring exists, \$2.50 for enting super, and \$4.00 for winter super.

The Whest market opened frame, and of the \$0.7 an advance of \$60 was gained; but owing to the dult prus by the frames, the market closed week, and the advance was not smalled, Only about \$0.00 in the \$0.00 for \$0. is contents, and it appears thought sit to act as promptly as to make its presentation unnecessary. This is the reason that Lord Derby accuses Russell of acting under a threat in stopping the rams. The reclamation question as respects the Alabama's depredations, has jet to come.

Tothe Domenturers AND THE MATE OF THE ENGLISH EARK SAXON.

It will be remembered that young Domenturer, masters' must of the U. S. steamer Vanderbilt, shot a man mamed Gray, mate of the Pirate Alabama to the coast of Africa. He has asked for a trial, which is to come off here. I learn also that Earl Russell writes to Lord Lyons on the subject, and states the master is under examination of the evinimal lawyers, and that Lord Lyons is drected to state to Mr. Seward that If the deposition of the second make of the Saxon to true. Doneshewer ought instantly be inled for willful murder. As that gantleman has asked for a trial, the whole matter will be soon settled.

DEATH OF R. I. ISGRAILME, ESO.

This gentleman, brother of the Profusor and novellet, died in this city last evening, of paralysis, after a short filmess, having been acted with it last Rundry. He had charge of a department in the Dead Lutter office since the coming in of the Adv instration. He was formerly connected with the Illinois Central Railroad office in your city, was fifty years of age, and a native of Portland, Me.

MARRHAL LAMON'S BALLAY CUT DOWN.

Congress has created the office of Wardon of the Jall in the District, with a salary of 81,000 and no fees and uncoluments whitever in addition thereto. It is said this will materially out down Masshal Lamon's salary, which has hear put at an high a 420,000.

(Prom the Detroit Advertiser, Feb. 34th)

During the past week the Rev. Father
Chisiquy, for a length of time connected
with the Roman Catholic Church, but more
recently a convert for Protestanism, has been
lecturing at the Rev. Mr. Dearonch's church
in this city, to isrre andienous. We have
from time to time given an account of his
doings here, from which it would appear that
he has succeeded in conviscing many who
have hitherto acknowledged the Roman
Church as the true religion, to Protestanlem. How many of his heaven have flocked
to his standard we know not, but his themse
have been the topic of conversation among
the congregations of the different churches
